LOGNOTE -- Chief, Operations Group, 17 July 1986

1. Following is from today's staff meeting with D/FBIS:

25X1

- The DDS&T recently met with the Comptroller on unfunded items for this fiscal year. The bottom line agreement was that each office will take care of its own shortfalls. This is good news and means we will not be taxed to help fund another office's needs.

25X1

- The Agency's Language Use Award program is still under fire. It might apply to Key West. More later.

25X1

- D/FBIS reminded everyone that the DDS&T, Evan Hineman, will be speaking to DS&T employees in the Bubble on 23 July. Tickets will be distributed to those who want to attend. D/FBIS is encouraging full use of the allotted tickets. For security reasons, summer-only employees are not invited.

25X1

- Psychological Services Staff/OMS, will be briefing FBIS employees on 24 July, 1400-1600, on the testing procedures used in Agency recruitment and employment. Anyone involved in recruiting certainly should attend.

25X1

25X1

- C/ESG announced that approval from the Austrian Government has been received for the operation of the Ku-band ROSET antenna at Austrian Bureau.
